

Web Development Project User Stories			
#	As a/an	I want to...	so that...
1	Tourist visiting Pittsburgh	be able to efficiently find information about Dusquesne Incline's tours	I'll have a good experience when I go visit and tour the incline
2	Pittsburgh resident	quickly find the hours of operation for Dusquesne Incline	I know when I can visit the incline during my free time
3	Transportation driver such as a bus driver or a driver with Uber or Lyft	be able to locate the incline and its address	I can drive my riders to the incline when they want to go there
4	Organizer for school or youth group	schedule my students for a field trip	they can learn about Pittsburgh's history and recieve a view of the city
5	Manager of the Incline's business email and number	make sure others can find the incline's contact information	I can easily resolve questions and respond to emails about the incline
6	Local historian	easily learn about Dusquesne Incline's history	I can better understand the history of the city and context behind the creation of the incline
7	College student in Pittsburgh	see if I qualify for a discount or a free ride on the incline	I'll be able to save money after going to the incline
8	Member of Society for the Preservation of Duquesne Heights Incline	fund and encourage an easily-accessible and attractive website design with tabs for the Incline	I can promote and establish the incline as a popular visitor attraction and so the incline's appeal is not outdated
